Looking Ahead
Haverford’s 11 members of the class of 2019 will surely be missed as that group won 56 matches, the most of any class in program history. Nevertheless, the class leaves behind a foundation of success as the Fords have hosted the Centennial Conference Tournament four times in the past six seasons and have won the conference title on Walton Field three times during the past four years. Despite the loss to graduation of a deep and talented class, Haverford will return first-team All-Centennial Conference performers Nick Jannelli ’20 (forward) and Michael Iacono ’20 (goalie). Centennial Conference Tournament MVP Peter Baroff ’20 (juniors), an All-American and the Centennial Conference Player of the Year, for what should be another Ford team ready to carry on its perennial spot among the top teams in the Centennial Conference and throughout the entire Mid-Atlantic Region.
“Every time you put on your Haverford jersey—surrounded by all of your friends, playing the game you love—you can feel just how special this program truly is.”

—Will Klein ’21

COACH PROFILE

Zach Ward
Head Men’s Soccer Coach

Upon his arrival in 2018, Zach Ward made an immediate impact on the Haverford College men’s soccer program, winning 11 straight matches and leading the Fords to the Centennial Conference Championship. Ward was named the Centennial Conference Coach of the Year in his first season after leading his team to the NCAA Tournament and finishing the year with a 14-4-1 record.

Prior to becoming the Centennial Conference champions, the Fords finished atop the conference table during the regular season in 2018. Haverford tied the program record with four players earning first-team All-Centennial Conference accolades. That list included All-American and Centennial Conference Player of the Year Nick Jannelli ’20.

“Haverford College offers outstanding opportunities for student-athletes to grow both in the classroom and on the field. I am excited to be part of a community working together to help our student-athletes become successful,” says Ward.

Ward came to Haverford after spending four years as an assistant coach at Gettysburg. He was instrumental in all aspects of that program, helping the Bullets make a quick rise up the conference standings and achieve their first postseason appearance since the 2010 season. The Bullets compiled a 41-21-6 record during his four years, improved their winning percentage both in the Centennial Conference and overall each year, and finished 2017 with a 13-5 record that resulted in a trip to the Centennial Conference semifinals.
