SPORTS MEDICINE
INFORMATION FOR VISITING
TEAMS

The Sports Medicine staff welcomes all visiting teams to Claremont. It is our goal to make your stay as pleasant and healthy as possible. Teams will have access to the athletic training room and staff as needed. If your team is traveling with a certified athletic trainer and your team will be using our facilities outside of our normal operating hours, arrangements will be made for access to the athletic training room. If you are traveling with a student athletic trainer or none at all, please call ahead to make arrangements for coverage. Please provide written protocol for all treatments needed and we will gladly administer them.

The following modalities are available: Moist Heat Packs, Ice, Ultrasound, High Volt Muscle Stim, Interferential, Hot and Cold Whirlpools, plus a full compliment of rehab equipment.

We will tape your team as needed, however, we ask that you provide your own supplies. Other supplies such as water bottles, cups, splints and crutches will be available for your use.

A certified athletic trainer will be present for all contests. Team physicians are on site for all football games and on-call for all others. An ambulance will also be present at football contests. In general, water, cups, water bottles, ice and towels will be found on your team’s bench and in the locker room.

Please call 909-607-3248 or email (sportsmedicine@cms.claremont.edu) us if you have any questions or special needs!
