Figure 1 is a hierarchical clustering dendrogram of 1200 genes. The dendrogram shows the hierarchical relationship between genes, with the y-axis representing the genes and the x-axis representing the clusters. The clusters are labeled with their respective gene counts: 473, 474, 475, 476, 615, 616, 647, 648, and 670. The y-axis labels are L458, L457, L460, and L459. The x-axis labels are L614, L613, and L670.

The logo for the NAIA Women's Wrestling Invitational is a shield-shaped emblem. At the top, '20' and '21' are in white on blue backgrounds. Below them, 'NAIA' is in large red letters with a white outline. Underneath is 'WOMEN'S' in white on a blue background, followed by 'WRESTLING' in large white letters with a blue outline. A red banner across the middle contains the word 'INVITATIONAL' in white. At the bottom, 'JAMESTOWN' and 'NORTH DAKOTA' are written in white on a blue background.
