Can your loved one hear, but not clearly?
Do you or a loved one need the TV louder than others in the same room, or have difficulty hearing on the phone?

If you answered yes to any of these questions, then you or your loved one may have a hearing loss. Please join the Speech Language Hearing Center for a short informational talk, and a hearing screening.

Monday, September 16
12 – 1 p.m.
Wellness Center RM 204

You may also schedule a hearing evaluation for a later date
