Dear Visitors,

Welcome to the University of Mary Washington in Fredericksburg, Virginia! It is our pleasure to have you visit our campus and the surrounding community.

This guide for our opponents, alumni, parents and friends should help inform you about UMW and the various services that we have available on and around our campus. We hope to provide your teams and fans with a positive experience during their visit.

We are providing you with information about the local businesses that support us, and hope in return you will help in supporting them. As many of you know, it would be difficult to run successful events without the help of the businesses in the community.

Please contact me if you have any questions or concerns. We hope you enjoy your visit.

Sincerely,
Patrick Catullo
Interim Athletics Director
