Calvin University Invitational  
December 5-7, 2019

Facility  
The Venema Aquatic Center is located in the Spoelhof Fieldhouse Complex on the campus of Calvin University. The Pool has 8 (9ft.) lanes for competition, 7 additional lanes for warmup/warm down, and a diving well with two 1M and two 3M diving boards. There is plenty of space for team seating on deck and room for 500 spectator seats.

Entries, Timing and Meet Management:  
The Colorado System 6 timing system and Hy-Tek Meet Manager will be used. Hy-Tek event files will be sent to coaches prior to the meet and results will be posted live on-line at the Calvin University sports page. All coaches must submit all entries (including divers) into cms65@calvin.edu via Hy-Tek no later than Monday, November 25th at 5:00pm. All results will be posted after each session and will be sent to all coaches after the meet.

Events and Schedule:  
1. **Start time:** Thursday, 6:00pm, Friday and Saturday, 10:00am prelims and 6:00pm finals.
2. The pool will open for warm-up approximately 90 minutes prior to the start of each session in all lanes. 45 minutes before the meet starts, lanes 1, 2, and 3 will be designated as pace lanes, and lanes 6, 7, and 8 will be designated as sprint lanes. The main competition pool will close 10 minutes prior to the start of the meet.
3. The event schedule will follow the attached format.
4. **Diving - Prelims (5vol/6opt)** will begin at 10:00am on Friday and Saturday. The top 8 finalists will dive their 6 optional list again during finals (approx. 6:00pm). Diving warmups will also begin 90 minutes before prelims and finals start time. Diving prelims and finals will be run concurrently with swimming.

a. Please note, if both genders are diving in both events, you will send (4) entries, one for 1M and one for 3M per gender. If you have any questions, contact Aaron Paskvan at 616-893-0886.

b. Again, please enter divers into the HyTek meet file along with your swim entries. It makes posting results and tallying team scores quicker!

c. Dive changes can be made per the NCAA rulebook.

1. There is no team limit on entries per event.
2. No swimmer may score in more than 7 total events (with a maximum of three individual events), as per NCAA Championship entry and scoring rules.
3. Swimmers may enter up to three scoring individual events, and all additional entries must be marked as exhibition when meet entries are submitted. Swimmers with the designation “exhibition” will not be allowed to advance to the evening session, nor will they be able to change their status in that event after the entries are submitted.
4. There is no limit to the number of relays a team may enter, but only two relays per team will be eligible to score and any relay team with a swimmer who has exceeded the event limit must be entered as exhibition.
5. Relays will be swum as timed finals in their designated session.
6. Time trials may be swum after each session, coaches must turn in their requests to the scoring table before the start of the last event of the session.
