“The idea that you can change a young person’s course of life because you invested in them is significant. I’ve seen these stories happen each year that I’ve been involved in college athletics and I still continue to be amazed and grateful to the people who help make these life changes happen. Thank you Golden Eagle Club members! You are truly the team behind the team that make all of this possible.”

WHAT IS THE GOLDEN STANDARD?

Athletics is often viewed as the front porch of the University. Athletic success is important to Oral Roberts University. Financial stability in athletics breeds success and success breeds pride among our many alumni and friends. Winning can be a tremendous recruiting tool for the general student population as well as for potential student-athletes. Athletic accomplishments often provide invaluable national visibility for ORU while also serving as a catalyst for philanthropy to all areas of the University.

To provide student-athletes and coaches with the finest possible resources:

Private support is the lifeblood of ORU Athletics. Financial stability is necessary to provide scholarship support and academic services for our 256 student-athletes and help them make the most of their educational opportunities and earn their college degrees.

Ticketing revenue is not enough:

Men’s basketball, women’s basketball and baseball ticketing revenues are not enough to adequately support all 16 of our intercollegiate athletic programs. Rising scholarship costs, escalating team travel expenses and the need for modern facilities require that new sources of revenue be discovered.

Most importantly... our student-athletes:

At Oral Roberts University, we have student-athletes who are changing the world, taking full advantage of their opportunities. Our student-athletes have won Olympic medals, conference championships, NCAA Championships and have graduated with GPAs at the highest levels in memory. These opportunities are not possible without your private support.

Why should you join the Golden Eagle Club?

This scholarship has given me the chance to play the sport I love at the DI level. It helped my family afford an opportunity I never would’ve had. I’m thankful to our coaches, but more importantly to God for this opportunity. The Golden Eagle Club members that have supported me made my lifelong dream come true. Thank you!

“There is nothing better than being part of the process of young men and women growing in spirit, mind, and body! ORU athletics fully embraces the whole person experience while pursuing athletic excellence. As members of the Golden Eagle Club, you have a direct and meaningful impact on each and every person who participates in all of the athletic programs at Oral Roberts University! What a blessing that is. Thank you for your generosity!”

Sasha Wells
Track & Field | Sophomore

INDOOR AND OUTDOOR SUMMIT LEAGUE ATHLETE OF THE YEAR

“ORU has helped me grow as an athlete, student and Christian. I’ve grown a lot in my relationship with God since coming to ORU. I’m so grateful that I have the opportunity to run for ORU and represent God, ORU, my team and myself. Thank you to all who have helped me get to where I am today.”
"My scholarship means so much to me because I wouldn’t be able to share my full abilities and potential with any other school the way I do with ORU. ORU brings out the best in me in every aspect of my life including athletics, my spiritual life and in my academics. Thank you to all of the donors for making my dreams come alive and helping me fulfill my purpose here at ORU."

"The John and Cheryl Clerico Golf Complex will make a major impact on the men’s and women’s golf programs. For the past 20 years all the programs had to call their own was a racquetball court in the aerobics center. Now with the help of our boosters, the dreams that Mike Carter and I, as well as all the former players have, can now come true. This facility will allow all current and future Golden Eagles to have a home."

"The Future is Now!"

We are thankful for the Golden Eagle Club and their investment in the lives of our student-athletes.

Spencer Henson
Baseball
SUMMIT LEAGUE PLAYER OF THE YEAR

“My scholarship means the world to me. Coming from a small town and not having very much money to afford school, this scholarship gives me the ability to chase my dreams on the baseball field. Without my scholarship I would be working a 9-5, missing out on the great education I am receiving at ORU. Baseball gave me a chance and has also inspired many of the youth in my hometown, showing them that their dreams can come true, like mine did. Thank you!”

Dear Golden Eagle Friends,

I just want to say thank you for all you pour into the student athletes. It was truly a privilege. I am so thankful for all the behind-the-scenes work that we athletes know nothing about.

I am so thankful for the scholarship provided by donors and whoever else that enabled me to go to school for 5 years with no financial burden on me or my parents. I am so thankful I got to be a part of an athletics program that cared about me as a person not just about my performance. I am thankful for the way you have fought for us in the classrooms and anywhere else!

It was obvious to me that we were cared about and prioritized. I didn’t want to get out of here without saying thank you because I wouldn’t be here without all of your hard work and dedication! Thank you all of ORU Athletics!

Love,

At Oral Roberts University, compliance with NCAA rules is of the utmost importance. As members of the NCAA and the Summit League, the university is responsible for the actions of its coaches, student-athletes and staff, as well as boosters and fans. It is the responsibility of the Athletic Department and the university that all NCAA, Summit League and University rules pertaining to boosters are strictly adhered to.

WHO IS A BOOSTER?

- A person who has made financial contributions to the ORU Golden Eagle Club, ORU Athletics or to an individual ORU Athletics sport.
- A corporate sponsor of ORU Athletics.
- A person who has purchased ORU Basketball or football season tickets.
- A person who has been involved in promoting ORU’s athletic programs.
- Once an individual is identified as a booster, the person must be treated as such and identity verified.

ADVICE FOR ALL BOOSTERS TO REMEMBER:

- Ticket holders cannot receive complimentary admission to an ORU sporting event from an ORU student-athlete, or treat the student-athlete as a family member.
- Recruiting: Boosters cannot be involved in the recruitment process in any way. Boosters may continue pre-existing relationships with family, friends or former students, provided they do not encourage enrollment at ORU to participate in athletics.

- Employment of Student Athletes: A student-athlete may be employed by a booster acting as all the following conditions are met:
  - The student-athlete is not paid for work actually performed.
  - The student-athlete is paid the “going rate” in the industry for similar services.
  - The student-athlete is not compensated on his or her reputation, athletic ability or as a price to win or lose an athletic event being sponsored by the employer.
  - The student-athlete receives the pay with the ORU Athletics Compliance Office prior to beginning work.
- Promotional Activities and Donations: All requests for donations, autographs, and promotional appearances involving an ORU student-athlete must be approved by the ORU Athletics Compliance Office. Student-athletes cannot permit the use of their name, photo or likeness to promote any commercial enterprise regardless of whether the student-athlete is compensated. This limitation also includes advertised appearances by student-athletes.
- Each Benefits and Perquisites Program: Student-athletes must meet all IRS requirements to report income or earnings. The student-athlete is compensated on his or her reputation, athletic ability or for any value his or her athletic status brings to the employer.
- The student-athlete registers the job with the ORU Athletics Compliance Office prior to beginning work.
- Promotional Activities and Donations: All requests for donations, autographs, and promotional appearances involving an ORU student-athlete must be approved by the ORU Athletics Compliance Office. Student-athletes cannot permit the use of their name, photo or likeness to promote any commercial enterprise regardless of whether the student-athlete is compensated. This limitation also includes advertised appearances by student-athletes.
- Enforce Benefits and Perquisites Program: Student-athletes must meet all IRS requirements to report income or earnings. The student-athlete is compensated on his or her reputation, athletic ability or for any value his or her athletic status brings to the employer.

Donor Agreement

Donors agree to adhere to and abide by rules and regulations governing intercollegiate athletics as determined by the NCAA, the Summit League and Oral Roberts University. If questions arise concerning the various rules and regulations, donors acknowledge that they should contact the ORU Athletic Compliance Office at 918.495.4309. Donors agree that should they be found by the NCAA for the University to have violated, knowingly or without regard for the same, rules or regulations, they may be disassociated from the University, athletics program and its activities. Donors can be expelled as a member of the Golden Eagle Club and will forfeit all benefits and privileges (including the right to receive priority season tickets and parking at specified athletic events) until the end of the period of disassociation and subsequent reinstatement by the Golden Eagle Club.

How will the new tax law impact me?

Congress recently passed new tax legislation that changes the way donations tied to tickets are handled, eliminating the 80% rule. Please consult your tax advisor as to how this might impact your taxable charitable deductions. Regardless of how your taxes are handled, the impact all giving has on our student-athletes and athletic program is incredible!
