ADOPT A TIGER

The Adopt a Tiger program offers supporters an opportunity to assist Dalhousie student-athletes in their pursuit of excellence as they balance the demands of being a varsity student-athlete.

Funds raised through Adopt a Tiger help ensure that the student experience offered to Dalhousie Tigers is as superb as their commitment to represent our university.

These funds are used to supplement budgets for:
- Exhibition travel and competition
- Athletic and academic financial awards to recruit top athletes
- Academic support programs
- Equipment upgrades
- Team apparel and footwear
- Team building activities off the playing field that foster team cohesiveness

INFORMATION:
If paying online, submission of printed form is not required.
