A certified athletic trainer will be present or immediately available at all home events. If your team will be traveling without an athletic trainer, we will be happy to assist with any pre-game taping. Please provide all taping supplies and any special information needed for pre-game taping. At this time, our teams will be traveling without an athletic trainer. I would appreciate any reciprocal coverage that you may be able to supply. If you are unable to supply reciprocal coverage, please notify me as soon as possible.

The Athletic Training Room is located on the first floor of The Murray Center and will be open two hours before each scheduled competition. The training room is equipped with hydrocollator packs, whirlpools, ultrasound, and electric stimulation. If your team is traveling without a Certified Athletic Trainer, a written prescription from a physician, or a note from the A.T.C., must be presented in order for the treatment to be administered.
