

## NAIA Competitive Cheer & Competitive Dance Legal Music Form

I, \_\_\_\_\_ (head coach), verify that in obtaining music to be used in our performance \_\_\_\_\_ (school) has abided by all state and federal regulations, including all copyright and music licensing laws, statutes, and provisions. While I understand the NAIA has not established specific processes and procedures related to proof-of-purchase or pre-screening of music prior to competition at an NAIA event, I recognize it is my responsibility to ensure all applicable regulations, laws, and statutes have been followed in the process of obtaining, editing and mixing all music. I understand that each performance has its own unique considerations that may require a case-by-case analysis to determine which type of license and/or consent is required, including but not limited to the intended use of the copyrighted material, the performance venue and its applicable performance/license agreements and differing state regulations; I also acknowledge that it is my responsibility to ensure the music used in our performance complies with all applicable regulations, laws, and statutes.

In consideration of the language above and music obtained to be used in any manner, \_\_\_\_\_ (school) agrees to indemnify, hold harmless and defend the NAIA and its directors, officers, employees, agents, and affiliates from and against all claims, demands, actions, suits, damages, cost, liabilities, losses, settlements, judgments, cost and expenses (including but not limited to attorney fees and cost), whether or not involving or arising out of a third party claim, in any area arising out of or connected with any breach or violation of the duty of \_\_\_\_\_ (school) expressed in this form.
