AMHERST ATHLETICS

Amherst College has the oldest athletics program in the nation, dating back to a compulsory physical fitness regimen that was put in place for all students in 1860. Today, over a third of the student body participates in varsity sports and eighty percent are involved in intramural and club sports teams.

With 27 intercollegiate athletic teams, Amherst College student-athletes have successfully blended academics and athletics for decades. In addition to capturing 13 NCAA Division III team championships - including 11 in the past 11 years - and 78 NCAA individual titles, Amherst student-athletes have also excelled in the classroom - earning 35 prestigious CoSIDA Academic All-America selections, including 21 selections since 2008.
