

Official Appeal Form

DIRECTIONS: Fill out this form as completely as possible. Turn it in to the Games Committee Table within 30 minutes after results are official. If appealing an attempt in the field events, you must notify the head event official of your intent to appeal. A coach from your coaching staff will have 10 minutes to file an appeal with fees in the game's committee area. More information can be found in the Indoor Technical Information Sheet. If this is an appeal of a referee's decision, the Games Committee (serving as the Jury of Appeals) will review and issue the final decision. Appeal fees will be refunded if the appeal is won. If an official video review is requested, the additional fee will be refunded if the live stream does not show incident. **Cash only.** Cards will not be accepted. Coaches will not be able to review film or photos with the committee. Coaches will be asked to leave the area while the Games Committee and referee deliberate.
