Please email Susan McCabe (smccabe1@haverford.edu) with inquiries and she will provide you with further information.

Independent Fitness
Pre-Requisite: Intro to Fitness. Students are expected to exercise for at least three hours per week, using the equipment and space available to them in the Tellem Fitness Center. Workouts should include as many aspects of resistance, cardiovascular and flexibility training as possible in a progressive manner throughout the six weeks. A log will need to be kept of each exercise session. Every Friday from 3:00-4:30pm you must bring in your log to the Fitness Center. At this time the instructor will review your exercise routine, answer questions and provide feedback. Further details will be emailed to registered participants during the first week of class.
