DEPARTMENT OF INTERCOLLEGIATE ATHLETICS

May 14, 2018

Dear Cheer and Dance Team,

I hope you are having an enjoyable summer! However, just around the corner is the start of school and athletics for Husson University and in order for you to be medically eligible to participate, certain forms need to be filled out. You will be receiving an email from your coach that will include the paperwork that you will need to complete. Once completed, you may mail them to the address below.

If you are a first year or transfer student-athlete, you will need to complete the following forms:

1. Health History Questionnaire
2. Authorization and Consent Statements
3. Medical Insurance Information
4. Sickle Cell Trait Status Waiver or Sickle Cell Trait status results

If you are a returning student-athlete, you will need to complete the following forms:

1. Annual Health Update
2. Authorization and Consent Statements
3. Medical Insurance Information

All paperwork must be completed and returned to the Sports Medicine Department prior to your participation on the Cheer or Dance team.

If you are a first year or transfer student-athlete, you will also need the following in order to be medically eligible to participate in athletics at Husson University:

- A complete physical exam by a medical doctor within 6 months of your first day of participation
  (Chiropractors are not licensed to perform a heart and lung check-up that is a requirement for the physical).
  Pre-participation Physical Exam Forms are available on the Husson Athletics website under the Sports Medicine link. **THIS FORM MUST BE USED AS IT INCLUDES A CARDIAC SCREENING THAT IS REQUIRED BY THE NCAA. PHYSICALS COMPLETED NOT USING THIS FORM WILL NOT BE ACCEPTED.**

If you arrive on campus without your physical or you wish to be tested to become aware of your sickle cell trait status, we may assist you in obtaining them but your participation may be delayed until appointments can be made. The cost of the physical will be $25 and sickle cell trait testing will be $24. We will not process these through your insurance and the cost will be your responsibility, billed through your student account. Completed physicals, sickle cell trait results, and paperwork may be mailed to the Sports Medicine Department at the address below.

We look forward to seeing you in the fall and have a wonderful summer!

Kindest regards,
Husson University Sports Medicine Department
