- Complete the Medical Requirements for Athletic Training:
  1. All Student-Athletes must have a Physical within six months of the first practice, per NCAA policy. All student-athletes, including returning student-athletes, must have a new physical each year. Physical and immunizations must be uploaded on to the ATS web portal.
  2. Please note you must also send a hard copy of your physical and immunization forms to Westfield State University's Health Services.
  3. For the ATS web portal go to: https://www.atsusers.com/atsweb/login.aspx?db=atswsc
  5. The online process includes general information, medical history, insurance information, emergency contacts, electronically signing forms for pre participation, assumption of risk, notice of privacy practices, insurance acknowledgement, sickle cell waiver (optional if you are not submitting trait
results), concussion acknowledgement, hazing acknowledgement, and uploading of your physical, immunizations, and sickle cell trait.

6. These requirements must be completed for the Westfield State athletic training staff before you are eligible to practice and participate in intercollegiate athletics.

Please read if you have been diagnosed with ADHD:

ADHD (Attention Deficit Hyperactivity Disorder) NCAA Policy

If a student-athlete is being treated for ADHD by a doctor/mental health professional, he/she must provide the following information to the Athletic Trainers:

1) Description of the evaluation process which identifies the assessment tools and procedures.
2) Statement of the Diagnosis, including when it was confirmed.
3) History of ADHD treatment (previous AND ongoing)
4) Statement that a non-banned ADHD alternative has been considered if the stimulant is currently prescribed.
5) Statement regarding follow-up and monitoring visits.

Please contact the Athletic Training staff if you or your physician need additional clarification on what materials need to be provided. This information will be provided to the NCAA in the event of a positive drug-test.
