1. Hourly Parking (Monday-Friday 7AM-5PM)

Until PARCS (pull and pay garage equipment) is implemented across the campus garages, daily permits will be required to park in visitor spaces and hourly parking will be unavailable. Daily permits can be purchased through the Parking & Transportation Services office at North Campus. The address for the Parking & Transportation Services office is 700 Rosedale Avenue
St. Louis, MO 63112. A daily permit is $9.00 per day.

There will be a limited quantity of daily passes available at the DUC entrance and, for those visiting the Knight Center and parking in the Millbrook and Snow Way garages, permits can also be purchased inside the Knight Center.

Recommended Lot: Snow Way Garage, Level 4

2. Off-Hour Visitors

Visitors who will be parking on campus during weekends (between 5 pm and 7 am on weekdays) are permitted to park in yellow zones without displaying a parking permit.

3. Weekend Parking

Visitors may park in yellow zones without displaying a parking permit (with the exception of the Danforth underground garage) from 5 p.m. Friday through 7 a.m. Monday. Yellow-zone parking is also permitted on official university holidays, which include Dr. Martin Luther King Jr. Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Year’s Day.

4. Golf Cart Escort System

Students, faculty, staff and visitors who have accessibility needs and must park further than normal from their destination can request a ride by calling 314-935-3648 between 8 and 5:30, Monday through Friday. Calls must be received prior to 5:15 pm for the last pick up. Under special circumstances, the service will meet a passenger at his or her vehicle or building but most passengers who wish to use the service will be directed to the nearest pick up location (Zone 1: south leg of Brookings Hall; Zone 2: patio outside the entrance to the DUC garage; Zone 3: The Knight Center entrance; and Zone 4: The South 40 House circle drive). Reservations are not accepted.

5. Parking Meters

If you are parking at one of these double-sided meters, please make certain that you select the appropriate space before inserting your coins.

6. Parking Tickets

Each individual is responsible for paying all violations. Fines are printed on each ticket placed on vehicles. Payment for all fines is due seven (7) days from the date the violation was issued.
