The Blinn College District seeks to provide equal education without regard to race, color, sex, age, national origin, religion, disability or any other constitutionally or statutorily impermissible reason. This policy extends to all programs and activities supported by the college.

www.blinn.edu
Dear Buccaneer fans,

On behalf of the Blinn College District and the entire Blinn family, I welcome you to another exciting season of Buccaneer athletics.

This is an exciting time to support the Blinn Athletic Department, as we celebrate the inaugural seasons for the men’s and women’s soccer programs. During the 2017-18 academic year, Blinn’s cheer and dance teams each repeated as national champions, the nationally ranked Buccaneer football team qualified for the El Toro Bowl, and the volleyball, men’s basketball, women’s basketball, baseball, and softball teams each reached the postseason. These teams continued a proud legacy that has seen Blinn capture 38 national championships since 1987.

In addition to their success in intercollegiate competition, Blinn students enjoy a supportive, close-knit community. Blinn features outstanding music, theatre, agriculture, and band programs, and offers a broad selection of student organizations.

The active lifestyles of our students complement academic programs that are recognized state-wide for educational excellence. In addition to unique co-enrollment programs with Texas A&M University, including the TEAM Program and the Texas A&M-Blinn Engineering Academies at Blinn-Brenham and Blinn-RELLIS, Blinn ranks among the nation’s leaders in transferring students to four-year universities.

Blinn recently expanded upon this success with the grand opening of the Walter C. Schwartz Building at The Texas A&M University System’s RELLIS Campus. Through this unique partnership with The Texas A&M System, Blinn students can complete their freshman- and sophomore-level courses, then seamlessly transfer to the Texas A&M System regional universities located on-site.

Of course, Blinn recognizes that these programs mean little if students cannot afford them. That is why I am proud to note that students taking 30 credit hours during the 2018-19 academic year will save $3,914 in tuition and fees compared to the average state university.

Few colleges can offer such a storied history of academic and athletic success.

Thank you for your support of the Blinn College District and its student-athletes, and best of luck during the upcoming season.

Mary Hensley, Ed.D.
Chancellor of the Blinn College District

WELCOME FROM BLINN COLLEGE DISTRICT CHANCELLOR, MARY HENSLEY, Ed.D.

ABOUT the NJCAA

The National Junior College Athletic Association (NJCAA) is the governing body of two-year college athletics, offering athletic and academic opportunities to college students. It is the second largest national intercollegiate athletic organization in the United States with over 500 member schools in 43 states. Each year over 60,000 student-athletes compete in one of 28 different sports and the organization sponsors 48 national championship events and nine football bowl games.
Dear Buccaneer sports fans,

The Blinn College District is committed to student success and investing in the communities we serve. Almost 1,800 students live on the Brenham Campus, by far the largest resident population of any two-year college in Texas. With this comes our continued investment in state-of-the-art living and dining facilities, recreation spaces, academic programs, and student support services. Our students and student-athletes are given opportunities to engage with each other outside the classroom through robust student activities and leadership programming. Their exposure to the arts through concerts and plays occurs year-round, and inside the classroom, students are challenged with a quality curriculum delivered by outstanding faculty.

It’s a great time to be a Buccaneer, and we are excited about the vision we have for the future of the College. As we continue to introduce new facilities with the latest in collaborative learning technology, we still hold dear our 135 years of tradition. We sincerely thank you for your support of the Blinn College District and we look forward to another outstanding season at Blinn.

Go Bucs!

John A. Turner, Ed.D.
Assistant Vice Chancellor for Student Services and Executive Dean of the Brenham Campus
CAMPUS LIFE
WELCOME TO

BLINN COLLEGE

FOUNDED 1883

AVERAGE CLASS SIZE 24

SAVE 42% in tuition and fees compared to the average state university.
With historical roots established more than 135 years ago, Blinn College offers a variety of academic transfer, health science, technical/workforce, and continuing education courses for the 19,581 students who attend one of our five campuses or comprehensive online programs.

The premier two-year college in Texas, Blinn’s academic transfer rate consistently ranks among the top 10 in the nation. Additionally, Blinn recently received an historic honor for community engagement as one of only six community colleges in the nation selected for recognition by the Carnegie Foundation for the Advancement of Teaching. Only seven colleges and universities in Texas received this recognition.

Blinn recently was listed among the most affordable large community colleges in the nation by AffordableCollegesOnline.org and one of the top community colleges in the state by Schools.com, and was recognized by the Texas Higher Education Coordinating Board for transferring students to top four-year universities at a rate that ranks among the highest in the state and nation.

Give us a call or schedule a tour today and let us show you why Blinn College is the perfect choice for all your educational needs.

HISTORY OF THE BUCCANEERS

The Blinn College athletic teams have not always been called the Buccaneers. From 1903-1929 they were called the Gophers, and from 1930-1931 they were the Bulldogs. The Buccaneer mascot was officially adopted in 1932.

The first athletic teams appeared in 1903 and, G.W. Kopp coached football, basketball, and baseball, and taught commercial business courses. Over the years, Blinn has fielded teams in football, basketball, baseball, track and field, tennis, bowling, softball, and volleyball.

In 1934, football was discontinued and did not reappear until 1948, when Dr. James H. Atkinson was hired as the director of athletics and football and basketball coach. That year marks the beginning of the modern athletic program at Blinn College.

In 1940, Marie Heineke Memorial Gymnasium opened and basketball began to flourish because it could now be played indoors and at night.

The women’s basketball program began in 1978, followed by women’s softball in 1995, and volleyball in 1996.

Throughout the years, from 1903 to the present, Blinn College has fielded great athletic teams and a number of outstanding athletes have distinguished themselves not only at Blinn, but also at four-year schools and in the professional ranks.

The current Buccaneer logo and associated spirit marks debuted in 2010.
Live It.

One great aspect of the college experience is residence life. The Brenham Campus has 13 residence halls centrally located throughout campus and an apartment complex with two- and four-bedroom apartments for students.

Blinn College housing is limited and assigned on a first-come, first-served basis. Interested students should apply early during their senior year of high school. For more information or a housing application, please call 979-830-4190 or visit www.blinn.edu/housing.

Academic Support Services

The Brenham Campus Learning Center is the place for tutoring, testing, scanners, audio-visual resources, textbooks, and study guides. An open computer lab provides students with additional computer services and Internet access.

Places to go. People to see.

The Student Center is the place to be. Meet friends. Grab a bite. Relax. The game rooms, conference center, banquet room, study rooms, bookstore, police department, and dining hall are located here.

Athletics...Go Bucs!

Blinn’s outstanding athletic programs have won 38 national championships since 1987, demonstrating excellence both on the field and in the classroom.

The Buccaneers compete in football, volleyball, men’s and women’s basketball, softball, baseball, men’s and women’s soccer, cheer, and dance.

Student Activities

Student activities enhance the college experience. We have a wide range of extracurricular activities:

- Buccaneer Band*
- Drama Productions*
- Intercollegiate Sports*
- Student Clubs and Organizations
- Intramural Sports
- The Choir Program*
- Livestock Judging Team*

* Participation in certain student activities requires enrollment in a credit course and, in some cases, tryouts and/or approval by the instructor.

National Affiliation: National Junior College Athletic Association
As a member of the National Junior College Athletic Association, the Buccaneers compete in the Region XIV Athletic Conference and the Southwest Junior College Football Conference. In 1995 and 1996, Blinn College made history by becoming the first college to win back-to-back National Junior College Athletic Association football championships with 24 consecutive wins. Blinn added a third national title in 2006 following a perfect 12-0 season, followed by a fourth title in 2009 with an 11-1 record. In 2008, the Buccaneer volleyball team won its first national championship, finishing with a 33-2 record, followed by a second title in 2011 and back-to-back titles in 2013-2014. The Buccaneers compete in football, men’s and women’s basketball, baseball, softball, men’s and women’s soccer, and volleyball. Complementing the athletic teams are the Blinn Cheerleaders, the Buccaneer Treasures Dance Team and the Blinn College Marching Band.

Kruse Center - Volleyball and Basketball

The 36,000-square-foot Kruse Center on the Blinn-Brenham Campus provides a facility the entire community can enjoy. Featuring an event arena, cardio room, men’s and women’s locker rooms, an indoor track, meeting and multi-purpose rooms, and a self-serve vending MicroMarket, the Kruse Center serves as home to the Buccaneers men’s basketball, women’s basketball, and volleyball teams, along with Blinn recreational sports.

The Kruse Center provides students and the community a high-quality space for general fitness, weightlifting, dance and yoga, kinesiology classes, and meetings. The arena also is used for high school playoff games and hosts camps during the summer months.

“This first-class facility will add vibrance and energy to Blinn’s campus community, helping to recruit and retain the high-achieving students who are the lifeblood of this institution,” said Dr. Mary Hensley, Chancellor of the Blinn College District, at the facility’s 2017 grand opening.

The Kruse Family

The Kruse Center was designed with the support of a generous gift from siblings Mildred Kruse Bridges, Evelyn Ann Kruse, Ed. Kruse and his wife Evelyn, and Howard Kruse and his wife Verlin in memory of their parents, E.F. and Bertha Kruse.

The Kruse family is involved in many civic endeavors in Brenham and throughout the state, and has been particularly supportive of Blinn College and Texas A&M University. In 2011, the Kruses were major contributors to the W.J. “Bill” Rankin Agricultural Complex, home to Blinn’s nationally renowned Agricultural Sciences Department. The family contributed to the state-of-the-art A.W. Hodde, Jr. Technical Education Center that opened in 2010, and has donated to the College’s Dr. W.W. O’Donnell Performing Arts Center, which hosts fine arts performances throughout the year. The Kruses have established endowed scholarships to help high-achieving students reach their career goals through a Blinn College education.

Inaugural Game Day - Dec. 2, 2017

Blinn College Athletic Director Scott Schumacher, right, presents Howard Kruse with a plaque commemorating the inaugural games at the Kruse Center.
**CUB STADIUM - FOOTBALL**
The Buccaneers play their home games at Brenham ISD’s Cub Stadium, located at 1600 East Tom Green Street. Seating capacity is 6,300. The main press box on the home (west) side is air-conditioned. Visitors park on the south end of the stadium.
The field is an AstroTurf playing surface, new in 2010. The excellent drainage provides a great surface in all weather conditions.
The 25x14 foot Daktronics scoreboard was installed in 2010.

**LEROY DREYER FIELD - BASEBALL**
Built in 1988, Leroy Dreyer Field is one of the finest baseball facilities in the state and among the top junior college complexes in the nation. Besides being home to the Bucs, it also has been the site of the Texas-New Mexico Junior College Coaches Association all-star games, the Texas-New Mexico Junior College state baseball tournament, the Region 14 tournament, and numerous Texas high school playoff games.
The dimensions of the natural turf field are: 325 foul lines, 355 power alleys and 375 straightaway center. Athletic field expert Floyd Perry rated the playing surface among the top 1 percent in all of college baseball.

**HOHLT PARK - SOFTBALL**
The Buccaneers began play on their softball field in 2001. Located at Hohlt Park on the north side of the city, the facility features a lighted field with a premier playing surface, an all-weather tarp, covered seating, and a club house. In 2012, a new, modern scoreboard was added.

**RANKIN FIELD AT HOHLT PARK - SOCCER**
The Buccaneers play their home games at Rankin Field at Hohlt Park, located at 2425 North Park Street. The lighted facility features a Bermuda grass playing surface and seats up to 400 spectators in the bleachers on the north side of the field.
Covered dugouts for home and visiting teams are located on the north and south sides of the field, and the facility features a press box and the Blinn Field House. Parking is located to the east of the field.
Hohlt Park features 85 acres of land used for various sports and events and also is the home of Blinn College softball.

**DOYLE COATNEY CENTER**
The Doyle Coatney Center opened in April 2017, providing indoor practice space for the Buccaneer baseball and softball teams. It is one of the premier baseball/softball facilities in the State of Texas, providing numerous batting cages, an infield practice area, and space for our pitchers to hone their skills. It also houses a weight room and classroom. The facility was made possible by a generous gift from Doyle Coatney, a former member of Blinn’s football, basketball, baseball, and track teams.

**WEIGHT ROOM**
Blinn has a top-quality weight room that opened in 1992. The modern, 4,000-square-foot, air-conditioned weight room has more than 12,500 pounds of free weights available to all Blinn athletic teams for their weight training programs. In 2013, the weight room was updated with a new floor and weights.
Scott Schumacher enters his seventh season as the Buccaneers athletic director and head men’s basketball coach. This year marks his 29th season as a junior college head coach and 10th year as an athletic director.

During 2017-18, Schumacher oversaw a Buccaneer athletic department that captured national championships in cheer and dance, and saw its volleyball, women’s basketball, softball, and baseball teams make trips to the Region XIV tournament, and its football team play in the El Toro Bowl. Blinn has captured 38 national championships since 1987, including 12 national championships and 15 national tournament appearances under Schumacher.

The 2017-18 men’s basketball team finished the season with a 20-12 record and a second-place finish in the NJCAA Region XIV South Division.

In 28 years as a junior college head coach, Schumacher has compiled a career record of 539-327. He has led three different junior college programs to a conference championship and a top-10 national ranking in the NJCAA polls. Schumacher has been coaching basketball at the collegiate level for 31 years.

Schumacher has spent 24 years as a head basketball coach in the Region XIV Conference. Schumacher previously coached league rivals Paris Junior College and Kilgore College, and is the only coach in TEAC history to lead two different programs to a conference championship. Prior to Blinn College, Schumacher was the athletic director and head basketball coach at North Dakota State College of Science, leading the Wildcats to a national tournament bid and three conference championships.

Schumacher has coached 12 NJCAA All-Americans, and more than 80 of his players have signed Division I scholarships. More than 25 of his players have gone on to play professionally, and he has had the privilege to coach an SEC conference player of the year, a Big 12 Tournament MVP, a Big Sky Tournament MVP, and an NCAA slam dunk champion.

In addition to his duties as a head coach, Schumacher also has served two terms as president of the NJCAA Basketball Coaches Association, a position voted upon by his colleagues. During his time with the association, he was the committee chair for the NJCAA Basketball Coaches Hall of Fame selection committee. As president, he began the NJCAA Basketball Coaches All-Star game, which is now played during the prestigious basketball coaching clinic held annually in Las Vegas. For his work, the Scott Schumacher Sportsmanship Award is given annually to an all-star participant. He currently serves on the Board of Directors for the Texas Association of Basketball Coaches.

From 2005-09, Schumacher served on the USA Basketball Collegiate Selection Committee along with coaching legends such as Kansas head coach Bill Self, Syracuse head coach Jim Boeheim, and Michigan State head coach Tom Izzo.

Schumacher’s father is a former superintendent at nearby Waller ISD, where Schumacher’s mother also taught. Schumacher’s parents both live in Houston. Scott and his wife, Lisa, are the proud parents of three children: Ross, Lonna, and Alec.

Athletic Academic Services

Blinn College continues to boast one of the nation’s most successful athletic programs. This success on the field and court begins with a high-quality learning environment, with the College and entire athletic department fully committed to providing the most efficient and effective support for all student-athletes.

The Bucs’ athletic student success coach provides academic, educational, and personal development support for more than 250 Blinn student-athletes, trainers, and managers.

**Blinn’s academic services include:**
- Individualized advising with student-athletes
- Supervised, structured study
- Tutorial assistance
- Academic performance monitoring
- Early registration

Compliance/Eligibility

In addition to the above duties, an advisor works with educational representatives from NCAA schools in helping student-athletes transfer successfully to the next level.

Facilities

Located in the Academic Building on the Brenham Campus, the Brenham Learning Center is open year-round for the convenience of student-athletes.

The Learning Center is equipped with state-of-the-art computers and academic resources to assist student-athletes in their studies.

On average, student-athletes spend 4-5 hours in the academic facilities each week, with tutors on hand at all times to help with any subject.

**DR. KENNETH MASENDA**

Athletic Student Success Coach

Dr. Kenneth Masenda joined Blinn College as an athletic student success coach in January 2017. His duties and obligations include advising each of Blinn’s NJCAA athletic programs as well as Blinn’s athletic training program. His advising duties also include Blinn’s Engineering Academy, KIPP, and YesPrep programs.

Prior to his arrival at Blinn, Dr. Masenda was an academic advisor for athletics at Tyler Junior College. In his six years at Tyler, he oversaw academic advising for all 12 of Tyler’s NJCAA athletic programs as well as advising duties for Tyler’s athletic training program. He also taught as an adjunct instructor for the college and assisted in other duties with the departments of advising, admissions, and the registrar’s office.

Dr. Masenda earned a doctorate in higher education from Texas A&M University - Commerce in December 2015. His dissertation was entitled, “Academic Advising for Student Athletes at Two-Year Colleges.” He also holds a masters from A&M - Commerce, a Bachelor of Business Administration from the University of Texas at Arlington, and an associate degree from Navarro College. He is a native of Denton.
ACADEMIC HONORS

The Atkinson Cup

In 1999, the Buccaneer Alumni Letterman Association established the Dr. James H. Atkinson Cup in memory of the former coach, athletic director, and president for his contributions to Blinn College and Buccaneer athletics.

The Cup is based on academic achievement and honors the sophomore student-athlete with the highest grade point average in college-level courses with a minimum of 48 transferable hours.

2018 DR. JAMES H. ATKINSON CUP WINNER

CALLI BIRCH

As a result of her success on the softball field and in the classroom, Blinn College softball player Calli Birch has been named the 2018 Dr. James H. Atkinson Cup winner.

“We always look for quality student-athletes, and Calli fits that description,” said head coach Rick Church. “She is a quality kid who was a great leader in the classroom and on the field.”

As a freshman, Birch earned first-team all-conference honors after finishing the season with a .352 batting average, driving in 18 runs and managing 37 hits. In her sophomore season, Birch hit .442 while producing 42 hits and knocking in 14 runs.

“It really is nice to have your hard work recognized because academics were my first priority here,” Birch said.
THE BUCCANEER MARCHING BAND

The Blinn College Marching Band performs during the fall to help support Buccaneer football at all home games and select away games. Adding to the colorful pageantry of halftime is the Blinn College Color Guard, performing exciting routines to the sounds of the Buccaneer Band.

Music majors and non-music majors alike participate in the marching band and concert bands. Of the 125 Blinn Band members, approximately 40 percent are music majors. Fifty to sixty high schools ranging from Class 1A to Class 5A are represented in the Buccaneer Band.

This season, the Blinn College Marching Band will feature new uniforms.

The new design features the Blinn College Athletics mascot, the Buccaneer, on one side of the uniform, along with a cape in the back.

“A lot of the bigger four-year universities feature the mascot on the uniforms and it is a way to make the band a recognizable symbol for the college,” said Sarah Burke, Director of Bands.

The Blinn College Music Department and Stanbury Uniforms Inc. worked together on the design. The uniforms are black and blue with white accents.

“The look is not only clean, but represents our College perfectly,” Burke said. “The kids are really excited because it is a different look that in the end will read better from the audience.”

BUCCANEER ATHLETIC TRAINING

The Sports Medicine team at Blinn College is dedicated to the prevention of injury and keeping athletes healthy, striving to provide quality healthcare services to all student-athletes in the intercollegiate athletic program at Blinn College.

Under the direction of head athletic trainer Donna Jones, the Blinn College Sports Medicine staff provides comprehensive medical services to ten intercollegiate teams and more than 300 student-athletes. In addition to a head athletic trainer, the staff includes two assistant athletic trainers, two team surgeons, and 18 student athletic trainers to provide education, assessment, treatment, rehabilitation, and referral to the student-athletes that attend Blinn College.
Sarah Barland Flisowski is in her ninth year as Blinn College spirit coordinator and head dance coach. The Blinn College Dance Team has won numerous ADTS Collegiate Championships and won five national titles at NDA College Nationals.

Barland Flisowski is a former member of the Blinn College Treasures Dance Team and a graduate of Southwest Texas State University -- now Texas State University -- in San Marcos with a degree in exercise sports science and a minor in political science. She earned her master’s in physical education from Prairie View A&M University.

Barland Flisowski started her teaching career at Mesquite ISD, where she taught for two years at Berry Middle School. She went on to Carrollton Farmers Branch ISD to become the director of the award-winning RL Turner Lionettes. She was the director of the Lionettes for seven years before coming back to Blinn as the coach of the Blinn College Treasures dance and cheer Teams. Sarah also is an 18-year staff member with American Dance and Drill Team School, where she has been the ADTS Novelty Staff Captain and Social Officer Coordinator. Sarah has traveled to Florida as a member of ESP Productions, which is the halftime production company of the amazing Buffalo Wild Wings Bowl game.

The move to Brenham is a great one that puts her closer to her family. Her sister, Alice Henrichsen, with husband Eric and nephew Brady are all in the Houston area and parents Mary Sue Carter and Ken Barland still live in the Golden Triangle. Sarah is a graduate of Orangefield High School, member and three-year officer of the Orangefield High School dance team, and All-American Dance team member her senior year. Her hobbies include taking dance classes, triathlons, reading, and watching college football. Sarah and her husband, Dax Flisowski, make their home here in Brenham with their daughter Kate.

HEAD CHEER COACH MICHAEL BREWSTER

Michael Brewster is in his sixth year with the Blinn Spirit Program and his fourth as the head cheer coach. Brewster has been involved in cheerleading for more than 11 years as a participant, coach, and choreographer. A graduate of Hawaii Pacific University with a degree in business management, Brewster was a part of three NCA Collegiate National Championships during his time there, including the captain of the 2006 team.

A native of Tampa, Fla., Brewster grew up doing everything but cheerleading as he won national titles in roller speed skating and roller hockey. He attended Charleston Southern University on a football scholarship before having his career cut short by a knee injury his freshman year.
The Blinn College cheer and dance teams each claimed their fifth consecutive national titles at the 2018 NCA & NDA Collegiate Cheer and Dance Championships.

“It is always amazing to see the kids work so hard all year long and to finally see it all come together and them all do so well,” said Sarah Barland Flisowski, spirit coordinator.

Blinn cheer made history as the first team to win five consecutive national championships in Small Coed Division II. Blinn took first place with a score of 95.10 over second-place Lindenwood University (93.50) and third-place University of Central Oklahoma (92.43).

Blinn College won its title with a cheer routine in honor of Jarred Pecina, a Blinn College cheerleader who passed away in January. The Buccaneers honored Pecina in the cheer routine by wearing “JF5” wristbands and bows.

“Our cheerleaders’ skill level is by far what makes them stand out, but the routine had meaning and was a tribute routine that was all about Jarred,” said Michael Brewster, head cheer coach. “It highlighted him and our love for him, so it wasn’t the same style of years past or of other teams that were there. It was easy to put passion to a routine that had that type of meaning to it.”

Next Step Cheer created a custom tribute track including several JF5 vocals and a moment of silence before their jump section.

“It was so amazing to place first because we have been looking forward to this the entire year,” said sophomore Kelsie Conn. “It was definitely special that Jarred was there watching over us and in our music the entire time. Every few seconds it would say “JF5” for Jarred and the moment of silence just constantly reminded us of who was watching over us during the routine.”

The Blinn dance team earned its first national title in Junior College Dance Team Performance with a score of 9.192 over second-place Riverside City College (9.188) and third-place Iowa Central Community College (8.836). In previous years, the Treasures competed in the Dance Team Performance III Division, where they won their last title in 2016.

“We worked so hard all year, so to place first in team performance was a really great accomplishment for us,” sophomore Jessica Hoff said. “This year we were really into the choreography and the music, so we just really connected as a team.”

The Treasures narrowly missed on two national titles in the same year, as dance finished second with a score of 9.477 to Shobi (Japan) University Veritas (9.757) in Pom Division II.

MAKING A BIG IMPACT in sports medicine
The sports medicine team that gets you back in the game.

CHI St. Joseph Health sports medicine physicians, athletic trainers, surgeons, and support staff have the expertise to help you recover and get back to your sport quickly, safely, and stronger than ever. Using state-of-the-art equipment and the latest techniques, we can maximize your athletic performance and provide unmatched care for the prevention, treatment, and rehabilitation of sports injuries. Our team is on your team.

Call (979) 431-3042 to schedule an appointment or visit CHIStJoseph.org/SportsMedicine.
BUCCANEER BACKERS

The Buccaneer Backers were formed to raise financial support and awareness for all the athletic programs at Blinn College. They bridge the gap between the funding allocated by the State of Texas and the true cost of providing our student-athletes and community with the level of excellence they have come to expect from Blinn College and Brenham, Texas.

Buccaneer Backers are dedicated to supporting our student-athletes on and off the field and preparing them to represent our College and community throughout the state and nation.

Our athletic programs depend upon the dedication and support of the local community. You can share in the success of Blinn’s athletic program by becoming a Buccaneer Backer today. A modest contribution of $100 makes you an important part of our winning team and grants you the opportunity to receive amazing benefits that bring you even closer to the action.

2019-2020 SCHOLARSHIP APPLICATION OPENS
FRIDAY, FEB. 1, 2019

In 2017-2018, over $295,000 was awarded to 199 students through the scholarship application.

192 scholarships are available to incoming and returning students through the scholarship application.

Complete just 1 online application and be matched to multiple scholarships.

Prior to applying for scholarships, students must complete their application for admission to Blinn College at www.applytexas.org and submit their high school transcripts to the Blinn College Admissions Office.

Blinn endowed scholarships are made possible through the Blinn College Foundation, which works with community partners to make thousands of dollars available to deserving students. For more information about the Foundation or to inquire about establishing a scholarship, please call 979-830-4017 or visit foundation.blinn.edu.

For more information, please contact the Blinn Scholarship Advisor at 979-830-4107.
