I, __________________________, have been accepted to the University of Massachusetts Dartmouth, an NCAA Division III institution. In addition to my academic responsibilities, I intend to participate in the sport(s) of ______________________ during the ___________________ academic year.

Consistent with Division III’s goal of fostering an environment where students can follow their passions and discover their potential, Division III student-athletes are encouraged to:

**DISCOVER**

Division III student-athletes are encouraged to pursue their interests and passions beyond the classroom and field of play…to discover themselves.

**DEVELOP**

Division III institutions provide an environment that encourages student-athletes to develop into well-rounded adults. Small class sizes, the ability to participate in more than one sport, and an emphasis on participating in activities outside of the classroom are all hallmarks of the Division III experience.

**DEDICATE**

Division III institutions expect student-athletes to dedicate themselves to achieving their potential. Student-athletes must manage their busy schedules, keep up with class work and face the same challenges as the rest of the student-body.

This form commemorates my choice to attend the University of Massachusetts Dartmouth. By signing this form, I embrace the Division III philosophy. I also understand my signature neither obligates me to attend the institution, noted above, and participate in athletics nor does it guarantee me a roster position.
