Amherst College

Amherst College prepares students to use ideas to make a difference in the world. Since its 1821 founding in Western Massachusetts, Amherst has demonstrated steadfast confidence in the value of the liberal arts and the importance of critical thinking. Today, its financial aid program is among the most substantial in the nation, and its student body is among the most diverse. Small classes, an open curriculum and a singular focus on undergraduate education ensure that leading scholars engage daily with talented, curious students, equipping them for leadership in an increasingly global and complex world.

AMHERST ATHLETICS

Amherst College has the oldest athletics program in the nation, dating back to a compulsory physical fitness regimen that was put in place for all students in 1860. Today, over a third of the student body participates in varsity sports and eighty percent are involved in intramural and club sports teams.

With 27 intercollegiate athletic teams, Amherst College student-athletes have successfully blended academics and athletics for decades. In addition to capturing 13 NCAA Division III team championships - including 11 in the past 11 years - and 78 NCAA individual titles, Amherst student-athletes have also excelled in the classroom - earning 35 prestigious CoSIDA Academic All-America selections, including 21 selections since 2008.
Ranked No. 2 in the nation and No. 1 in New England in the USTFCCCA Preseason National Coaches Poll, the Amherst College men’s cross country team enters 2018 looking to build on the success of an historic 2017 season that saw the team earn a program-best fourth place finish at the NCAA Division III Championships, snap Williams’ 29-year win streak at the Little III Championships and capture the program’s first-ever league crown.

Cracking the USTFCAA top-five for the first time since 2015, the Mammoths return a bevy of talent and experience to this year’s squad, including five of the seven runners that competed at last season’s NCAA’s.

With the addition of four newcomers and a transfer student to a roster that features 14 veterans, Amherst will look to remain contenders in the national conversation under the leadership of head coach Cassie Funke-Harris as they take to the trails this fall.

MEET THE SENIORS
Each earning a spot on the Mammoths seven-harrier NCAA roster last season, Cosmo Brossey ’19, Tucker Meijer ’19 and Kristian Sogaard ’19 lead Amherst’s talented senior class.

A First-Team All-NESCAC honoree, Brossey enters the year looking to build on a terrific junior campaign in which he logged a fifth place finish (25:32.0) at the conference meet and an 82nd place finish (25:24.7) at NCAAs. Both garnering Second Team All-NESCAC laurels a season ago, Meijer placed 14th overall at NESCACs and 112th at the NCAAs with times of 25:45.9 and 25:34.2, respectively, while Sogaard will aim to improve on a 2017-best time of 25:41.9 that earned him 11th place at the NESCAC Championships.

Jacob Silverman ’19 (27:05.7) and Ermias Kebede ’19 (27:52.50) add impressive depth the the senior class, while opponents should be on the lookout to see what Jack Malague ’19 can do after a noteworthy track & field season.

THE UNDERCLASSMEN
Stringing together a breakout sophomore season, First Team All-NESCAC honoree and USTFCCCA All-American Clark Ricciardelli ’20 headlines the Mammoths’ underclassmen after clinching fourth overall (25:20.5) at the league meet and 33rd overall (24:54.5) at NCAAs last fall.

Spencer Ferguson-Dryden ’20 is also primed to be an impact runner for Amherst once again after proving himself at the national level a season ago, with the junior crossing the finish line in 25:33.5 to place 111th at the national meet.

Ralph Skinner ’20, Chis Stone ’20 and Estevan Velez ’20 round out Amherst’s juniors, with Skinner (27:01.3) and Stone (27:54.0) both having NESCAC Championship experience under their belts.

Each running at the league meet last year, sophomores Bill Massey, Jamie Mazzola and Braxton SchudIt have the potential to be difference makers on the scoresheet, with the trio recording times of 28:30.6,

Ajay Sarathy ’21, Matthew Bradley ’22, Owen Daily ’22, Will Merhige ’22 and Majd Rouhana ’22 are the Mammoths’ new faces this fall.

Amherst kicks off the 2018 season on Saturday, Sept. 8 when they host the Little III Championships beginning at 12:15 p.m.
After six strong seasons at the helm of the women's cross country program, Cassie Funke-Harris takes over the reins of the Amherst College men's cross country team in 2018.

The College’s first ever female head coach of a men’s program, Funke-Harris was an effective guiding force as an assistant to the Mammoths last season – traveling with the squad as the lead coach during the NCAA Championships. Helping lead Amherst to an historic season, the Mammoths captured a program-best fourth place finish at the national meet and the program’s first NESCAC Championships team title in 2017 while also securing two All-American nods and five All-Conference selections.

Prior to her 2012 arrival in the Pioneer Valley, Funke-Harris spent six years as an assistant cross country and track & field coach at her alma mater, Carleton College. She was a four-year letter-winner for the Knights, notably earning an All-America selection during the 2004 cross country season before graduating with honors in 2005.
