Introduction

Dear Coaches,

On behalf of St. Joseph’s College-Long Island and the Athletic Department, I would like to say welcome to our Danzi Athletic Center and Outdoor Field Complex. At times, traveling to Long Island can be difficult; my hope is that this information eases the process. Enclosed you will find a contact directory for our head coaches as well as the appropriate athletic administration. We also provide you with game day information, a note from our athletic training staff, as well as information for post-game accommodations. Upon your arrival, please be sure the buses park in the designated areas.

As a member of the NCAA and the Skyline Conference, St. Joseph’s College-Long Island is committed to upholding the highest level of sportsmanship at all of our events. We hope you will join us in maintaining these standards while giving all of our student-athletes the best possible competitive experience in NCAA Division III intercollegiate athletics.

If you have any questions, please feel free to contact us. We look forward to seeing you soon.

Andrew Capitelli
Manager of Athletic Communications
631-687-1437

DIRECTIONS TO ATHLETIC FACILITIES

Outdoor Athletic Complex
Home of our tennis courts and our soccer, lacrosse, baseball, and softball fields!
246 Sunrise Hwy South Service Rd., East Patchogue, NY 11772

Directions: We are located approximately one mile east of the Long Island main campus (155 West Roe Blvd Patchogue, NY 11772) on Sunrise Highway South Service Rd.

*Our address does not register with some GPS systems. In this case, enter 120 South Sunrise Highway Patchogue, NY (Route 112, Exit 53) and proceed East on the service road. After you pass the party city, the complex will be on your right hand side.

Danzi Athletic Center
Home of our basketball/volleyball court and swimming pool!
155 West Roe Blvd., Patchogue, NY 11772

From Long Island Expressway and major North/South Roadways: Veterans Highway, Patchogue-Holbrook Road, and Nicolls Road are the best routes from the North shore of Long Island via the Long Island Expressway (1-495). The L.I.E., as it is known extends from Queens-Midtown Tunnel in Manhattan to just outside the town of Riverhead on the east side of Long Island.

Veterans Memorial Highway (Exit 57 off L.I.E.): Travel South on Veterans Highway (Rt 454) to Sunrise Highway (Rt 27). Take Sunrise eastbound to Waverly Avenue (Exit 52). The college entrance and parking facilities are located 1000 feet beyond the traffic light on Waverly Avenue.

Patchogue-Holbrook Road (Exit 61 off L.I.E.): Take the Patchogue-Holbrook Road (Rt 19) south. This road will eventually become Waverly Avenue. Take Waverly just over the Sunrise Highway overpass and make a left at the light, onto the Sunrise Highway service road. The college entrance and parking facilities are located 1000 feet on the right.

Nicolls Road (Exit 62 off the L.I.E.): Nicolls Road (Rt 97) intersects Patchogue-Holbrook Road. Take Patchogue-Holbrook south. This road will eventually become Waverly Avenue. Take Waverly just over the Sunrise Highway overpass and make a left at the light, onto the Sunrise Highway service road. The college entrance and parking facilities are located 1000 feet on the right.

From Sunrise Highway: Sunrise Highway (Rt 27) extends from the Queens County border to the Hamptons. Rt 27 itself runs from Brooklyn to Montauk. Sunrise Highway intersects other major roadways such as the Southern State Parkway, Veterans Memorial Highway, Sagtikos Parkway/Robert Moses Causeway, and most North/South roads on Long Island.

From the East: Travel west on Sunrise Highway (Rt 27) to Exit 52. Turn left at the first light onto Waverly Avenue, over the overpass, then turn left again at the next light onto the Sunrise Highway service road. The college entrance and parking facilities are located 1000 feet to the right.

From the West: Travel east on Sunrise Highway (Rt 27) to Exit 52 – Waverly Avenue. Continue on the Sunrise Highway service road. The College entrance and parking facilities are located 1000 feet beyond the traffic light, past Waverly Avenue.
Tailgating Policy

St. Joseph’s College – Long Island values its students, faculty, staff and fans and welcomes your attendance and participation in support of our athletic programs. To help ensure your safety and that of all guests, the following tailgating policies have been created. All persons and/or groups wishing to participate in tailgating activities must comply with these policies or the privilege to do so will be revoked. We take extreme pride in providing a family-friendly campus environment and ask that you help us in doing the same.

**Tailgating Designated Area**
The tailgating area is first come first serve and **ALL** activity is limited to the paved area appropriately signed “Picnic Area” located between the concession stand of the Field House and the Danzi Stadium. Tailgating is strictly prohibited from occurring in any other area of the Danzi Athletic Complex to include but not limited to traffic lanes, parking spaces, pedestrian pathways, athletic fields and grassy areas. Violators of this rule will be asked to vacate the area immediately and may be prohibited from tailgating in the future.

**Tailgating Hours**
Tailgating activities are only allowed on the day of game and will be limited to one (1) hour before the scheduled athletic contest and one (1) hour immediately following the completion of the athletic contest. We encourage all tailgate participants to attend their respective athletic contest and not to tailgate during the game. Because our complex houses multiple sports we ask that if you are occupying the tailgating area while another contest is taking place that you are both mindful and respectful of those participants and use decorum. Violators of this rule will be asked to vacate the area immediately and may be prohibited from tailgating in the future.

**Grills/Cooking Devices**
Personal propane/gas grills with tanks limited to the 5-10 gallon size are the only cooking devices allowed for use in the tailgating area. Please be advised that charcoal grills and all other open flame devices including but not limited to sternos and fire pits are strictly prohibited. Grills and cooking devices that require the use of generators or electricity are also prohibited as generators are not allowed for safety reasons and power will not be provided. Violators of this rule will be asked to vacate the area immediately and may be prohibited from tailgating in the future. **Grills should never be left unattended.**

**Alcohol/Tobacco Policies**
All SJC-LI facilities are smoke-free, alcohol-free environments. The use of alcohol and tobacco is strictly prohibited in all areas of our athletic facilities. Any person(s) caught violating this rule will be asked to vacate the premises immediately.

**Clean-Up**
Trash must be disposed of in proper receptacles. Please pick-up, bag and dispose of all trash and debris in the containers provided throughout the tailgate area. Failure to return the area to its normal state will result in revocation of tailgate privileges.
**Sound/Stereo Systems**  
Due to the proximity of the tailgating area and the Danzi Stadium, absolutely **NO** amplified sound is allowed. This includes but is not limited to iPods, radios, car stereos and DJ's. Violators of this rule will be asked to vacate the area immediately and may be prohibited from tailgating in the future.

**Tents/Awnings**  
All tents/awnings are restricted to the grassy area directly behind the tailgate area. Tents are not allowed on the pavement, should be no larger than 10’ x 10’ and stakes/poles are not allowed to be driven into the ground. Please be advised that grills are not permitted under the tent and violators of this rule will be asked to vacate the area immediately and may be prohibited from tailgating in the future.

**Sales**  
Selling of food, drink and/or merchandise is strictly prohibited. Only SJC-LI representatives or chosen designee(s) are allowed to do so. We do have a snack and drink machines at the facilities.

**Right of Use**  
St. Joseph’s College-Long Island maintains the right of first (1st) use of the tailgating area and to modify permissible tailgating times for contests scheduled on/around college special events. These events include Friends/Family day, Homecoming, Hall of Fame and any other designated college special event date. Notice of these changes will be provided in advance.
ATHLETIC TRAINING SERVICES

Please be aware that we have two athletic complexes. The John A. Danzi Center hosts M/W Volleyball, M/W Basketball and Swimming. Our outdoor field complex hosts M/W Soccer, M/W Track and Field, M/W Tennis, M/W Lacrosse, Softball and Baseball. Modalities, whirlpools, moist heat and ice are available at both facilities. However, space is limited at the outdoor field complex Athletic Training Facility. Therefore, we advise that you contact us prior to your team’s arrival in order to accommodate your needs.

A certified athletic trainer will be available in either Athletic Training Facility two hours prior to the beginning of the event and up to one hour after the event for anything your team may need. If your team does not travel with a certified athletic trainer, please provide a medical kit stocked with what your players will need and a letter for any modalities. Without appropriate documentation (parameters, etc), modalities will not be provided.

We will provide: ice water, injury ice, and cups for each team area. Emergency and biohazard supplies will be available at the head or officials table or home sideline/dugout as appropriate. We do not provide towels.

If necessary, we have access to a variety of physicians in all specialties and are in close proximity to Brookhaven Memorial Hospital. Information and directions regarding them will be provided as necessary.
