COMPLAINTS AND GRIEVANCES

It is the intention of Johnson & Wales University and the Department of Athletics to resolve complaints and grievances quickly, informally and as close as possible to the point of origin. The complaint and grievance process accessible at the link below is not intended to be a forum to challenge university policy, but rather a means by which individuals can seek a timely and fair review of their concerns.

For the resolution of issues related to participation in varsity athletics:

• A student should first address the complaint or grievance orally with the coach or appropriate athletics department staff member within 5 days of the incident. The staff member will consider the complaint or grievance and notify the student their decision within a reasonable time, usually 5 days.

• If the complaint or grievance cannot be resolved at the previous level, the student should present the complaint or grievance, in writing, to the Director of Athletics within 5 days of receipt of staff member’s decision. The Director of Athletics will document his or her decision and provide a copy to the student, staff member, and the Associate Dean of Student Affairs within a reasonable time, usually 5 days.

• If the complaint or grievance is still unresolved, the student may request a final review at by submitting a written request for review to the Associate Dean of Student Affairs. The written request should set forth the reasons that the student is seeking a review of the earlier decision and, in particular, should specify if the student feels that relevant, new information has come to light since the decision was made or that the decision was unjust or inconsistent with the circumstances of the incident. The request will be considered by The Associate Dean of Student Affairs in conjunction with the Dean of Students. The decision will be final and a written copy of the decision will be given to the student

GAMBLING

NCAA mandates that student-athletes and athletics staff members are not permitted to be involved in any type of gambling activity that involves one of its own sports or a sport with an NCAA championship at any level of that sport (high school, collegiate, and professional).

Examples of Gambling Activities that are prohibited by the NCAA Johnson & Wales Department of Athletics

- Accepting a bet on any team representing Johnson & Wales
- Soliciting or accepting a bet on any intercollegiate or professional competition for any item (e.g. cash, shirt, dinner) that has tangible value
- Engaging in gambling activities that do not involve the outcome of contests (e.g., fantasy leagues, picking the top scorer)
- Participating in any gambling activity that involves intercollegiate athletics or professional athletics through a bookmaker, a parlay card, or any other method employed by organized gambling

- Student-athlete’s involved in any other type of sport wagering through organized gambling shall lose at least one-year of all eligibility.

PROHIBITED DISCRIMINATION AND HARASSMENT (INCLUDING SEXUAL HARASSMENT) POLICY

It is the goal of Johnson & Wales University and the Department of Athletics to provide an educational and employment environment free from all forms of intimidation, hostility, offensive behavior, discrimination and harassment, including sexual harassment. The university prohibits unlawful discrimination, including harassment, on the basis of race, religion, color, national origin, age, sex, sexual orientation, gender identity or expression, genetic information, disability, status as a protected veteran, pregnancy or marital status, or any other unlawful basis in admission to, access to, treatment of, or employment in its programs and activities. Such conduct violates not only university policy, but may also violate federal and state laws.

Harassment may take many forms, including physical, verbal and nonverbal acts and written statements. Harassment does not have to include intent to harm, be directed at a specific target or involve repeated incidents. A single incident involving severe misconduct may sometimes rise to the level of harassment.

Discrimination and harassment are inappropriate and will not be tolerated at Johnson & Wales University or by the Department of Athletics. Such behavior or the tolerance of such behavior on the part of an employee violates university policy and may result in disciplinary action up to and including termination of employment. Such behavior on the part of a student also violates the Student Code of Conduct and may result in student conduct sanctions up to and including dismissal from the university.

SEXUAL ASSAULT AND RELATIONSHIP VIOLENCE POLICY

Johnson & Wales University and the Department of Athletics prohibits sexual assault and relationship violence, which may include dating violence, domestic violence, stalking and sexual exploitation. These offenses constitute violations of university policy, including the Prohibited Discrimination and Harassment (including Sexual Harassment) Policy and Student Code of Conduct. These offenses can also constitute violations of state and federal laws.
The university provides proceedings and resources for community members affected by sexual assault and relationship violence (see Getting Help), and offers programming designed to educate the community and prevent the occurrence of such offenses (see Education and Prevention).

HAZING POLICY

It is the goal of Johnson & Wales University and the Department of Athletics to provide an educational environment free from all forms of hazing. Such conduct violates not only university policies, but also state law.

Hazing is inappropriate and will not be tolerated at Johnson & Wales University or by the Department of Athletics. Such behavior or the tolerance of such behavior on the part of any student violates the Student Code of Conduct and may result in student conduct sanctions (individual or group) up to and including dismissal from the university. Consent is not a defense to hazing and will not absolve an individual or group from a finding of responsibility for hazing under the Student Code of Conduct.

What is Hazing?

Hazing is any severe, persistent or pervasive behavior that, for purposes of initiation or admission into or affiliation with any organization or group, endangers an individual’s mental or physical health, well-being or safety, or unreasonably interferes with an individual’s ability to freely participate in university life.

Hazing may take many forms, and while it is not always easy to define precisely what behavior constitutes hazing, examples of behavior that may constitute hazing include, but are not limited to

- the explicit or implicit pressuring or coercing of a student into violating law or university policy
- any brutality of a physical nature, such as whipping, paddling, beating, branding, exposure to the elements, abandonment, forced or encouraged consumption of any food, liquor, drug, or other substance, or other forced physical activity
- any activity that is likely to subject the student to substantial mental stress, such as sleep deprivation, conduct that could result in extreme embarrassment, or other activity that could adversely affect the mental health, academic pursuits or dignity of the student
- prohibiting individuals to speak for extended periods of time and/or forced exclusion from social contact, prohibition from speaking with university officials, faculty, employers/clients, roommates, family/friends, club members or leadership, etc.
- requiring a regimented public demeanor (e.g., marching, military-like demeanor, restricting walking patterns, prescribing set walking formations)
• confinement
• kidnapping
• verbal abuse
• carrying any items (shields, paddles, bricks, etc.) that serve no constructive purpose or that are designed to punish or embarrass the carrier
• misleading prospective members into believing that they will be hurt during induction or initiation
• interrogating an individual in an intimidating or threatening manner
• assigning or endorsing pranks such as borrowing or stealing items, painting property and objects of others, or harassing other individuals or groups
• requiring any personal servitude to another individual or group such as running errands, cleaning, making food runs or performing someone else’s academic work
• simulating activity of a sexual nature, or threatening to do so

What should I do if I think I am the victim of, a witness to, or learn of hazing?

Anyone who is aware of or believes they have witnessed or have been subjected to hazing should immediately report the behavior to Campus Safety & Security. For Campus Safety & Security contact information for each campus, please consult the JWU Directory.

Silent Witness

Anyone who is aware of or believes they have witnessed or have been subjected to hazing may also make a Silent Witness Report online. Please note that the Silent Witness Program is not designed to replace the need to contact Campus Safety & Security directly about an emergency or potentially harmful situation. The ability to respond appropriately may be limited if the report is anonymous; therefore, students are encouraged to provide an email address and/or phone number so that Campus Safety & Security may follow up with questions if necessary.

• Providence Silent Witness Report

Retaliation

Johnson & Wales University and the Department of Athletics prohibits retaliation against any individual who has made a good faith complaint, cooperated in the investigation of such a complaint, or participated in the Conduct Review Process. Anyone found to have engaged in retaliation will be subject to disciplinary action up to and including dismissal from the university.
TRANSGENDER STUDENT ATHLETES

Johnson & Wales University and the Department of Athletics are committed to diversity and inclusion. We aspire to create the safest, most welcoming environment for community members of all genders.

If you are interested in participating on a varsity athletic team, please review the following National Collegiate Athletic Association (NCAA) policies and guidelines that outline transgender student-athlete participation in NCAA sports.

**Champions of Respect.** 2012, NCAA Office of Inclusion.

Once a student athlete has completed, plans to initiate or is in the process of taking hormones as part of a gender affirming process the student athlete shall meet with the Director of Athletics upon matriculation or when the decision to undergo hormonal treatment is made. This will ensure all eligibility requirements and procedures for approval of transgender participation are reviewed with the student athlete.

**TRANS*ATHLETE** is a resource for students, athletes, coaches, and administrators to find information about trans* inclusion in athletics at various levels of play. This site pulls together existing information in one central location, and breaks down information into easy-to-reference areas to help you find what you need.

SOCIAL MEDIA

Participation in intercollegiate athletics at Johnson & Wales University is a privilege, not a right. While the athletic department support student athlete’s involvement with Internet based social networking communities, the athletic department reserves the right to take action against any student-athlete engaged in behavior that violates University or department policies including postings on the Internet.

Johnson & Wales University and the Department of Athletics understands the popularity and usefulness of social media networking sites such as Twitter, Facebook, You Tube, Instagram and others and supports their use by student-athletes provided that:

- No offensive or inappropriate pictures are posted;
- No offensive or inappropriate comments are posted;
- Any information placed on the website(s) does not violate Johnson & Wales, athletic department or student-athlete codes of conduct;
Photos and/or comments posted on these sites do not depict team-related or JWU-identifiable activities (including wearing/using team uniforms or gear inappropriately).

Student-athletes must remember that they are representatives of Johnson & Wales and are in the public eye more so than other students. Please keep the following in mind as you participate on social networking websites:

- Before participating in any online community, understand that anything posted online is available to anyone in the world. Any text or photo placed online becomes the property of the site(s) and is completely out of your control the moment it is placed online - even if you limit access to your site.
- You should not post any information, photos or other items online that could embarrass you, your family, your team, the athletic department or Johnson & Wales. This includes information that may be posted by others on your page.
- Student-athletes could face discipline and even dismissal for violations of team, department, JWU and/or NCAA policies.

Johnson & Wales Security and other local law enforcement agencies may monitor these websites regularly as may potential employers and internship supervisors as a way of screening applicants. In addition, many graduate programs and scholarship committees also search these sites to screen candidates. JWU student-athletes should be very careful when using online social networking sites and keep in mind that sanctions may be imposed, including the loss of your eligibility for the season, if these sites are used improperly or depict inappropriate, embarrassing or dangerous behaviors.

TRANSPORTATION

Johnson & Wales University will provide transportation for all scheduled away events. Athletes must travel with the team to these events. Those who need to travel separately from the University – provided transportation, to and/or from the event, must sign a Waiver of Responsibility Form in advance (this includes transportation to and/or from events with parents or guardians). If this form is not completed, you will not be eligible to participate in the athletic competition for that day.

DRESS CODE

All student-athletes are expected to comply with Athletic Department or coaching staff guidelines regarding appropriate dress for games, travel, and other athletic functions. This will vary from team to team and from event to event. Please be aware of the dress code for appropriate times.
CAPTAIN’S PRACTICES

Captains’ practices are not allowed per NCAA Bylaw 17.02.1.1. Students may reserve a designated athletic/recreational facility from time to time but the reservation may never be held for only members of a varsity team. The open recreation space reservation must be made through the Operations Manager. The reservation must always be open to all members of Johnson & Wales University.

ACADEMICS

The Department of Athletics at JWU is committed to providing you with assistance in achieving your academic goals. If you have any academic questions or difficulties, you should contact your coach and the department’s academic advisor. Student-athletes are expected to attend classes regularly and to make academics their number one priority. A student-athlete’s responsibility to his or her team must take precedence over other social or recreational events. Academic Standing
A student's academic standing is based on grade point average (GPA) in conjunction with total attempted credits (including transfer credits) and is evaluated after the completion of each term of enrollment. Academic standing standards differ by program of study. Please refer to the following academic standing standards charts. Students not in good academic standing are required to meet with their assigned academic counselor. During this meeting an academic agreement will be developed outlining the grades needed to return to good academic standing. Students are urged to make an appointment with their assigned academic counselor at the beginning of their probation term.

Students who meet the following criteria are considered to be in good academic standing:

- Undergraduate students need a minimum GPA of 2.0.
- Graduate students need a minimum GPA of 3.0.
- 4+1 BS/MBA/MS program students need a minimum GPA of 3.0 in graduate-level coursework.

According to the following academic standing standards, students who do not satisfy good academic standing requirements will be placed on academic probation or dismissed.

**Academic Probation**

Probation may affect a student’s ability to register and/or graduate. Graduate program students and 4+1 BS/MBA/MS program students are allowed a maximum of 2 terms on probation.

First-term undergraduate students earning a cumulative GPA less than 1.0 are strongly encouraged to attend study skills strategy seminars and tutoring in identified content areas.
**Academic Dismissal**
Dismissed students may no longer matriculate at the university for at least 1 term and are expected to work on academic deficiencies. To return to the university, students may petition the Academic Appeals Committee, providing a letter of intent and documentation of academic improvement. The committee will consider appeals that document mitigating circumstances. Students may only appeal their dismissal once and the decision of the committee is final.

**Academic Warning**
Students who are reinstated into the university will be placed on Academic Warning. These students risk permanent dismissal from the university if they are unable to meet academic standing guidelines. The warning designation is sometimes used to override academic standing decisions at the end of the term due to mitigating circumstances.

These undergraduate students will be allowed to register for a maximum of 13.5 credits in academic classes or 15 credits in laboratory classes. In addition, these students will be required to attend mandatory study skills strategy seminars and tutoring in identified content areas. Failure to complete these requirements will result in immediate dismissal.

**Attendance**
The purpose of the university’s attendance policy is to help students develop a self-directed, professional attitude toward their studies and maximize their educational opportunities. Regular class attendance provides fundamental educational value and offers the most effective means to gain command of the course concepts and materials.

Students are expected to attend all classes, arrive on time and remain for the entire class period, and report to class fully prepared with all required materials. To meet these expectations, students must arrange course schedules that minimize conflict with other commitments, including personal commitments, work, or participation in athletics or other university-sanctioned events. When students encounter difficulty meeting these requirements, they must actively engage their faculty member to discuss the concern.

Individual faculty define the specific role that class attendance plays in the calculation of final grades for each course. Additionally, excessive absences in certain courses may result in withdrawal from the course at the instructor’s discretion. Students should consult the course syllabus and course instructor for specific faculty policies on attendance and make-up work within a course. Student Academic Services does not issue excused absences from class. Students must contact their course instructor directly to discuss the missed class.

For the purposes of financial aid and verification of enrollment, a student is considered enrolled in the term by the census date if they are in attendance by the second class meeting or, for online courses, by completing the first stated assignment or activity by the due date. If students do not meet these criteria, they will be withdrawn without academic penalty from the course (i.e., as never attended) and, when appropriate, issued a tuition adjustment in accordance with the Tuition and Fees Credit Policy.
It is the student’s responsibility to notify Student Academic & Financial Services of any courses that they wish to drop from their schedule, as well as any intent to leave the university. Discontinuing attendance or notifying an instructor does not constitute an official course or university withdrawal.

**EQUIPMENT & UNIFORMS**

Team uniforms shall be issued on a game-to-game basis from the Equipment Room. All athletes must complete and sign a uniform agreement prior to the first issuance; this will be done with your compliance paper work. No uniform will be issued without the completion of this form. You must appear in person to pick-up your uniform for each contest. Only a member of the coaching staff may pick up your uniform on your behalf. Please note that you are responsible for the uniform assigned, regardless of whether you switch with another person on your team at a later date.

Number assignments and a fitting session can be coordinated with each team member prior to the first scheduled contest, at the discretion of the head coach. A specific date and time will be assigned for your team. Attendance at this meeting is mandatory. Your uniform will be available at the Team Issue Desk two hours prior to a home game. Uniforms will be available thirty minutes before away contest scheduled bus departure times. In extreme circumstances (early morning/late night departures) arrangements will be made with your coach for uniform pick-up at alternative times.

**PRACTICE GEAR & LOCKERS**

Each athlete will be assigned practice gear and a laundry loop, locks are available upon request. The practice gear can be washed at the end of each scheduled practice session by placing it on the loop and handing it to the staff at the Equipment Room. Please note that gear not returned within 30 minutes of the scheduled completion of practice will **not** be laundered in time for the following day. The lock may be used for the duration of the school year. The loop will be your responsibility for your tenure at JWU. You will be allowed to use a locker in the team locker room during the length of your traditional season. It must be emptied within 48 hours of the end of the season while you can continue to use the lock in the recreation locker room and laundering service during the remainder of the academic year. All lockers must be cleared out by the end of the school year or all items will be removed by staff and discarded.
EQUIPMENT ROOM

Hours of operation for the Equipment Room will depend upon your playing/practice schedule and will be posted. The night drop slot will be available for drop-off of uniforms and practice gear before and after operating hours and all coaches should have access to this slot. Please note that the use of the drop slot does not guarantee a clean set of gear the next day. The wash cycle will begin 30 minutes after the scheduled practice ending time – no exceptions! Please remember that our staff consists of students and they have many other commitments. To contact the Equipment Room directly, please call 598-1619.

DO:
- Return your uniform immediately after each contest
- Return practice gear within 30 minutes of practice
- Inform staff of any damage or problems with a uniform
- Place the combination to your padlock inside your locker
- Be courteous to the staff at all times

DON’T:
- Fail to return your uniform after each contest
- Attach uniform to the laundry loop
- Write on or alter your uniform or practice gear in any way
- Put more than 5 items on your loop (pair of socks = one item)
- Wash your uniform at home
